

Educator Registration Form

The General Insurance Council of Alberta has identified that student examination performance cannot be accurately measured without first determining source of studies and/or exam preparation. The General Licensing Qualification Program (GLQP) will serve to correlate course provider educational programs with examination results of General Insurance Level 1 examinees.

In order to participate as an authorized General Insurance Level 1 course provider you must complete this registration form and email it to exams@abcouncil.ab.ca

Educator Attestation

- I am a Commercial Educator, Commercial Course Material Educator or Organizational Educator (herein all referred to as “Educators”).
- If I am using my own course material instead of the Alberta Level 1 General Insurance Broker/Agent Licensing Textbook from the Alberta Insurance Council, I have thoroughly reviewed all course delivery material and confirm that it aligns to the [General Level 1 Curriculum Design Document](#).
- I will respond upon request of the General Insurance Council, with documentation of the mapping exercise undertaken to ensure curriculum alignment within 30 days.
- I understand and agree that student performance metrics will be aggregated and correlated to each education provider. Results will be published to <https://www.abcouncil.ab.ca>
