

NOTICE TO EDUCATION PROVIDERS

The General Insurance Council (GIC) is pleased to announce the implementation of the General Insurance Agent/Broker Level 1 training materials.

Effective May 17, 2021, new Level 1 examinations will be introduced. In conjunction with the introduction of new examinations, the rewrite rules will be reset. This means that any student who has written and failed a General Level 1 examination prior to May 17, 2021 will not be subject to a waiting period in order to challenge the examination again.

The GIC would like to thank all education providers for your participation and engagement throughout this process. If you have any questions or feedback, please contact the Alberta Insurance Council at exams@abcouncil.ab.ca.

Janice Sabourin, Chair
General Insurance Council
